Report of Principal and School Improvement Council

The mission of Aiken Middle School is to provide a strong educational foundation that enables students to become lifelong learners and productive citizens who are able to meet the challenges of the 21st Century. For the 2009-2010 school year, programs including performing arts, visual arts, athletics, and academics for both the general population of students as well as the academically gifted students have continued to thrive. Our Parent Teacher Organization, Title One Planning Team, and School Improvement Council have worked in concert with our school's Leadership Team to insure our efforts are meeting our students' needs. We provide RTL programs for students who are not making satisfactory academic progress and need additional assistance, as well as advanced classes to challenge our academically gifted students. Additionally, our exploratory programs provide students the opportunity to develop their interests in the arts and vocational fields.

Aiken Middle School continued the implementation of a "pod" teacher-teaming system in the 6th and 7th grades for the 2009-2010 school year, and increased opportunities for intervention and enrichment in both math and ELA. This enables our school to have a "school within a school," giving each of our students in those groups more individualized strategies of instruction. Each of these "pods" is a family or learning community.

Some of our notable accomplishments this year include:

- Ten AMS 8th graders qualified as S.C. Junior Scholars.
- State Geography Bee finalist.
- Area Spelling Bee Champion.
- GT students placed 5th in state for stock market competition.
- 13 students made County Honor Band; 7 Students made South Carolina Region Band.
- 7th Grade & 8th Grade Bands both earned Superior Ratings at The USCA Concert Festival.
- 8th Grade Band received a Superior Rating at the 2010 Carowinds Festival of Music.
- Three teachers earned National Board Certification.

As we continue to enthusiastically assist our students toward achieving success in our school and beyond, we welcome and appreciate the continued support from our parents and the community.
